

Stronger with every stride.

Each dollar raised will go towards teaching local students how they can live healthier to reduce their risk of getting ALL types of cancer. If everyone in the United States used sunscreen, stopped smoking, and stayed in shape, nearly 2/3 of all cancer would go away! Our mission is to inspire people in our community to lead cancer-free healthy lifestyles. With your help, we get stronger with every stride!

Help us help others

Your fundraising efforts help us deliver life-saving presentations. If each participant raised just \$50, we would have the necessary funding to educate even more students in our community!

Rewards

Did you know that you can earn great rewards for your fundraising efforts? Rewards start at the \$75 level and get better the more you raise! Raise \$350 or more and receive an autographed, custom-framed Jordy Nelson photo!

Pledge form and fundraising resources available at PinkPumpkinWalk.com.

Pre-Walk/Run activities & celebration

NEW FOR 2016! Share your stories under our Inspire Tent!

Honor those who have fought and still fight.

All of us have been touched by cancer in some way. Our new Inspire Tent allows our participants to share their story. Bring your photos, written stories or small mementos to inspire others of why we walk/run. They will be hung under the tent for everyone to see and experience. There is no cost to participate in the Inspire Tent. If you would like your submission returned, please pick up your items after the event. Limited additional supplies will be available day of event.
